

ROSTER ISSUE

The VHS BULLETIN presents a list of members* and friends of the Virginia Herpetological Society. The roster is no mere list but presents the "face" of the Society. Scan it and see who your fellow members are. It is set up in alphabetical arrangement by county. It is hoped this will ease the chore of locating nearby members and friends, or those located in an area through which you may travel.

WHY A VHS ROSTER ? Listing by county shows the scope of present VHS membership. During 1963-1964 we hope to broaden the VHS membership base. Those counties where coverage by VHS members is needed -- all too many of them -- are listed at the foot of two inside pages.

We hope the roster may encourage some to assume responsibility and move along the path to leadership in VHS. We particularly urge the trained biologists -- college and high school faculty members -- to consider such a course. For others, we hope it will beckon them to full-fledged membership and support of the Society's objectives:

- (1) Scientific study of the state's reptiles and amphibians;
- (2) Qualitative improvement of the recording of collecting data;
- (3) County surveys and exchange of verified information;
- (4) Broaden public understanding in the interest of conservation;
- (5) Work for a more accurate news-reporting on reptiles and amphibians; and
- (6) Deposit needed specimens in permanent scientific collections for study and for educational purposes.

VHS is non-profit. Our officers serve without pay. Dues are applied to reproducing the bulletin and mailing. Labor donated.

LOCAL, COUNTY, AND REGIONAL MEETINGS: We hope the roster will promote interest in holding VHS meetings on a county or multi-county (regional) basis. Thoughts and ideas for these meetings will be covered in a later VHS Bulletin. HELP SUPPORT ACTIVITIES!

 The Virginia Herpetological Society was organized in March 1958.

VHS is all-inclusive, rather than an "exclusive" Society. VHS membership is open to anyone who is more-than-casually interested in Virginia's reptiles and amphibians, or those of adjacent states. The members are the Society; the Bulletin, their means of communication. Support the VHS through dues and collecting notes, yearly!

PRESIDENT OF THE V.H.S.

John Thornton Wood, M.D. (1958-1959)

W. Leslie Burger, Biologist (1960-1962)

Enclosed with this Bulletin is a return postal card with the names of three nominees for VHS President for 1963-1964.

Only members will find the ballot postal enclosed. If you are a member and do not find any ballot write the Secretary immediately. If you have never paid dues -- even though you receive the Bulletin regularly -- you are not listed as a VHS member. The Secretary will be pleased to correct any errors! The Treasurer will collect any overdue dues. Act promptly.
